

As the Roman legions marched their way through most of the civilized world, conquering and laying waste to the land, it was only a small band of men known as 'The guardians of the scepter' who stood in their way, fierce defenders of the Golden Scepter, whose magical powers would make the Roman legions unstoppable. As a guardian of the scepter, it is up to you to stop the Roman legions...

Instructions:

Place the defence towers at strategic locations to avert the invasion. Press key 1 to place the towers. You can also upgrade and move the towers during the game. Select the tower and press key 5 to upgrade, sell or move the tower. To let the battle commence, press key 7. Press 0 to activate the help menu
